Dear Parents and Guardians,

April has been another busy and positive month at school, and I would like to take this opportunity to reflect on some of the highlights from recent weeks.

ALL STAR TALENT SHOW

At the end of March, we were delighted to host our All Star Talent Show, which was a wonderful celebration of student confidence, creativity, and performance. It was a pleasure to see so many students take to the stage and share their talents with pride.

Events like this are always special because they give children the opportunity to step out of their comfort zone, build confidence, and enjoy success in front of their peers, teachers, and families. Thank you to all of the parents who joined us and helped make the event such a positive occasion for our students.

STUDENT CAFÉ BAKE SALE

We were also pleased to host our Student Café Bake Sale, which brought a lovely atmosphere to the school community. The event gave students a chance to be involved in something practical and enjoyable, while also helping to create a strong sense of togetherness across the school. I am also pleased to share that all proceeds from the bake sale were donated to the Vietnam National Children's Hospital. Thank you to everyone who supported the event and helped contribute to such a meaningful cause

JUNIOR HANOI SPORTS LEAGUE CHAMPIONS

Another proud moment for the school has been the success of our football squad, who won the Junior Hanoi Sports League for football. This is a fantastic achievement and reflects the hard work, teamwork, and commitment of our students and staff involved. We are very proud of the team for representing the school so well and for their excellent efforts throughout the competition.

These events and achievements are a reminder that school life is about much more than what happens in the classroom. They help our students grow in confidence, responsibility, teamwork, and resilience, while also strengthening the sense of community that we value so highly at our school.

Thank you, as always, for your continued support.
