January Newsletter 2026

Dear Parents and Guardians,

Happy New Year, and welcome back to school. We hope you had a restful holiday break, and that 2026 has started well for your family. We are looking forward to a positive Term 3, full of strong routines, joyful learning, and steady progress for every child.

As we begin the term, we would like to share two highlights from the end of last year, and one exciting update to our campus.

CHRISTMAS CHARITY

Celebrating our Christmas Charity Fair,
supporting Caritas Vietnam

Thank you to our parent community, students, and staff for the incredible support shown during our annual Christmas Charity Fair. Your generosity, energy, and community spirit helped make the event a wonderful success.

We are proud that our fair continues to support **Caritas Vietnam**, and we appreciate every contribution made, whether through donations, purchases, participation, or volunteering your time. Events like this reflect the values we want our students to grow into, kindness, service, and community responsibility.

MERRY
Christmas
AND HAPPY NEW YEAR

Badminton court and Basketball court

**Campus upgrade,
new sports courts in our front yard**

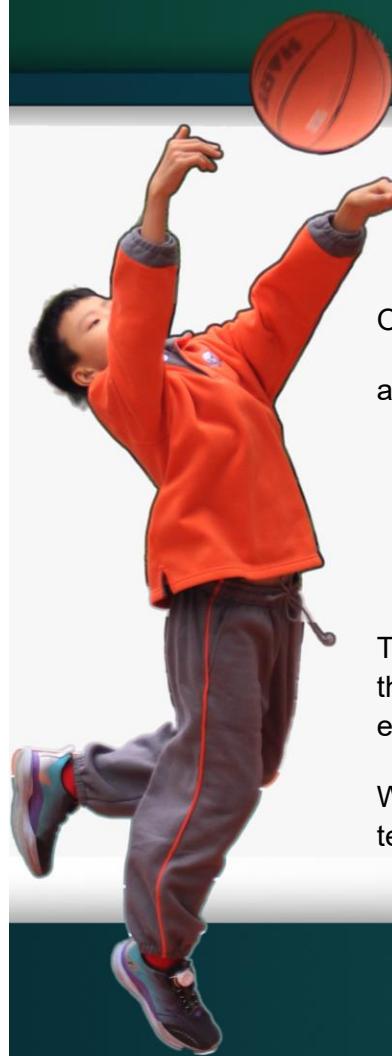

Over the break, our front yard area has been **repaved**,

and we are pleased to share that it now includes:

- a **new badminton court**, and
- a **half basketball court**

These upgrades will support PE lessons, structured play, and after-school activities, and they also give our students more opportunities to be active, develop coordination, and enjoy healthy competition in a safe, well-marked space.

We look forward to seeing students make great use of these new facilities as we begin the term.

Looking ahead

Thank you, as always, for your continued support and partnership. If you have any questions as we settle back into routines, please do not hesitate to contact your child's teacher or the school office.

Wishing you and your family a successful start to 2026.

Kind regards,
Michael Ogden
Principal
