OBV YEARS 4 AND 5

Outward Bound Vietnam (OBV), Years 4 and 5

Our Year 4 and Year 5 students recently had the opportunity to take part in their Outward Bound Vietnam experience. This was a valuable learning opportunity that encouraged students to step outside their comfort zones, build resilience, develop teamwork, and strengthen their confidence through a range of outdoor and collaborative activities.

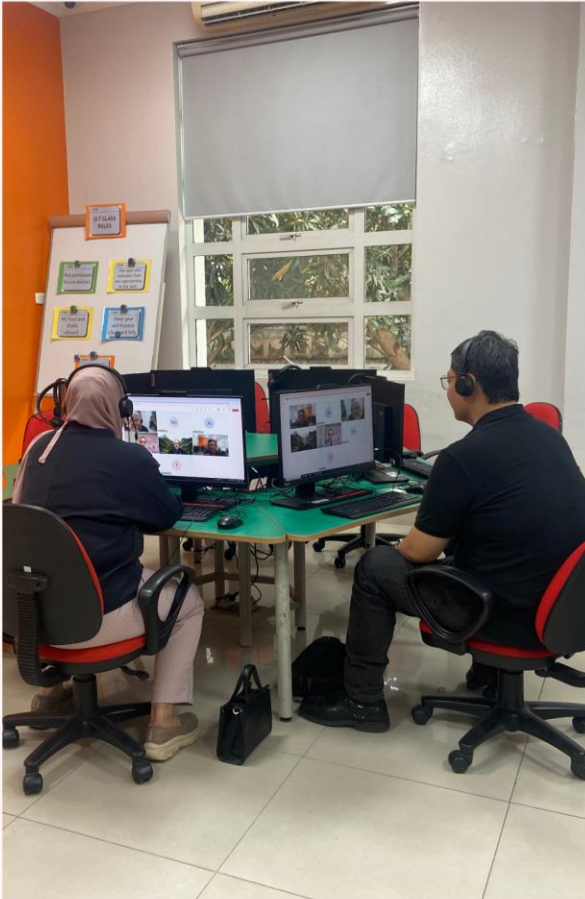

Experiences such as these are important in helping students grow beyond the classroom. It was wonderful to see students demonstrating perseverance, cooperation, responsibility, and independence throughout the programme. We are proud of the way they represented the school and embraced the challenges presented to them.

WASC MID-CYCLE VISIT

We were pleased to welcome the WASC visiting committee for our Mid-Cycle Visit. This was an important opportunity for the school to reflect on the progress made since our last accreditation cycle and to share the ongoing work taking place across our learning community.

The visit provided an opportunity for the committee to learn more about our school's development, observe learning, meet with stakeholders, and review how we continue to strengthen teaching, learning, student wellbeing, and schoolwide systems. It was also a valuable chance for us to reflect on both our achievements and our next steps as part of our ongoing journey of school improvement.

We are proud of the way our staff, students, and wider school community represented the school throughout the process. We would also like to thank parents for their continued support, which plays an important role in helping us grow and move forward as a school.

IRISH NATIONAL DAY GAELIC FOOTBALL CUP

We were delighted to be invited to take part in a local Gaelic Football Inter-school cup to celebrate Ireland's national day.

Students from a range of classes represented our school proudly on the day and were especially honoured to display their new Gaelic football skills in front of the Irish Minister of State for Sport, Culture and Communications.

Our students displayed teamwork, sportsmanship and tremendous school spirit throughout the competition, serving as wonderful ambassadors for our school community.

The event was a fantastic opportunity for our young players to experience the rich tradition of Gaelic football first-hand, and it was truly heartwarming to see so many pupils embrace the sport with such enthusiasm and dedication. Days like these remind us of the power of sport to bring communities together, and we look forward to continuing to build on this wonderful experience in the months ahead.

INTERNATIONAL DAY AND OPEN DAY

SIS@CIPUTRA

Our recent International Day and Open Day was a wonderful celebration of the diversity and vibrancy of our school community. Students and classes proudly represented different countries from around the world, helping to create a colourful and engaging atmosphere across the school. Through dress, displays, performances, and shared experiences, the event provided a meaningful opportunity to celebrate the many cultures that make up our community.

The event also gave prospective families and visitors the chance to experience the welcoming environment of our school, learn more about our programmes, and see our learning community in action. It was a proud opportunity to showcase the spirit, diversity, and strengths of the school.

A special highlight of the day was the mini football World Cup, which brought great energy and excitement to the event. We were also delighted to host our first-ever Student-Parent Badminton Tournament, which was a fantastic way to encourage participation, connection, and school spirit among families.

Thank you to all staff, students, and parents who contributed to making the event such a memorable success.

Kind regards,
Michael Ogden
