SIS @ Ciputra – October Newsletter

Dear Parents and Guardians,

As we move into term 2, I would like to take a moment to reflect on the many wonderful things happening across our school community. It has been a busy and positive start to the year, and I am incredibly proud of our students, teachers, and parents for their continued commitment and support.

Anti Bullying Week

This month, our students took part in Anti-Bullying Week, an important initiative that reminds us all about the values of kindness, respect, and inclusion.

Through class discussions, activities, and our special Blue Civvies Day, students learned that every small act of kindness can make a big difference. Thank you to all families who supported this event and helped reinforce our message that *everyone deserves to feel safe, supported, and valued.*

VIETNAMESE *Women's* DAY

On October 20th, we celebrated Vietnamese Women's Day, a time to honour the incredible women who contribute so much to our community, our teachers, staff, mothers, and grandmothers. It was a beautiful reminder of the love and care that women bring to our school and families each day.

PARENT-TEACHER CONFERENCES

Our Term 1 Parent-Teacher Conferences were held successfully last week. These meetings provided valuable opportunities for parents to discuss their child's progress, celebrate achievements, and set goals for the next term.

We appreciate the strong turnout and the constructive conversations that took place. Working together in partnership ensures that every student continues to thrive both academically and personally.

Looking Ahead

As we begin Term 2, we look forward to continuing our focus on positive behaviour, academic excellence, and community spirit. Thank you once again for your support and trust in our school.

Wishing everyone a happy and productive Term 2 ahead!

Kind regards,

Michael David Ogden
