OCTOBER 10

Dear Parents and Guardians,

October has been a busy and exciting month at SIS@Ciputra, filled with opportunities for learning, creativity and community connection. From celebrating the Mid-Autumn Festival to coming together for our Term 1 Parent-Teacher Conferences, it has been wonderful to see our students growing, sharing experiences and celebrating their achievements. Read on to discover some of the highlights from across our school.

Mid-Autumn Festival

Our students enjoyed a wonderful Mid-Autumn Festival celebration filled with fun, culture and creativity! The festivities began with lively performances, followed by an entertaining host who led exciting games and a spectacular bubble show. Students then worked in groups to explore traditional arts and crafts, celebrating the rich cultural traditions of this special festival. It was a joyful day of learning, laughter and shared experiences for our whole school community!

Social Emotional Learning Project - “I’m Here”

Over the past four weeks, our students enthusiastically participated in the SEL project "I'm Here! Kindness Journey."

This provided a wonderful opportunity for them to expand their connection circle — from listening to classmates and interacting with peers in the same grade, to proactively making friends with older students across grade levels and building meaningful bonds with teachers across the entire school.

Through inspiring conversations and creating and exchanging "I'm Here!" vouchers, students realized that even the smallest acts of kindness bring immense value. As a result, they not only developed confidence, communication skills, and empathy, but also gained a strong sense of belonging.

The project created over 500 positive connections, with more than 70% of students eager to participate in future initiatives. Students also demonstrated growth across key SEL competencies, particularly Responsible Decision-Making (80%).

As our first school-wide initiative of its kind, the project was a wonderful success, bringing our community closer together through kindness and connection!

500+ Connections Built

Fostered meaningful interactions across the entire school community.

CORE SEL OUTCOMES & SENTIMENT

-70% Positive Experience & Readiness

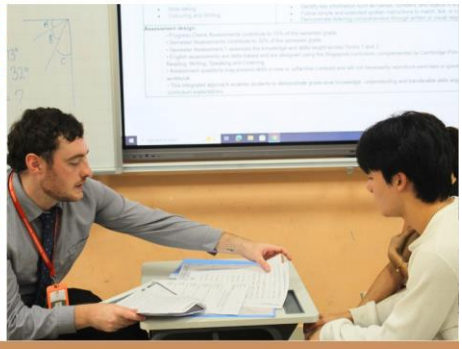

Reflects strong overall student satisfaction and desire to continue the journey.

Parent–Teacher Conferences

Our Term 1 Parent-Teacher Conferences provided a valuable opportunity for parents and teachers to come together to discuss students' progress, celebrate achievements and identify areas for further growth. These conversations help strengthen the partnership between home and school, ensuring we work together to support every child's academic development, wellbeing and overall success. Thank you to all our parents and teachers for their continued collaboration and support.

THANK YOU

Thank you to our parents and guardians for your continued partnership and support. Together, we look forward to another exciting term filled with new opportunities, meaningful learning, and memorable experiences for our students.

Warm Regards,

Elaine Coleman
Senior Head of Studies
