GAELIC FOOTBALL WORKSHOP

Gaelic Football Workshop

Our Year 3 and 5 students had the opportunity to take part in a special Gaelic football workshop, hosted by the chairman of the local Gaelic Football club in Hanoi, The Viet Celts. Our students were excited to try this traditional Irish sport which combines the skills of basketball, volleyball and soccer into an enjoyable sport for all abilities!

AFTER SCHOOL *Activities*

Our after-school activity programme is now underway, offering students a wide variety of opportunities to explore their interests and talents. From creative arts to academic clubs and sports, participation levels are high, and it is wonderful to see students engaging beyond the classroom

Football League Kick-Off

We are excited to announce that our school football league has begun, with the first matches taking place in Term 1. Students are looking forward to developing their skills, representing their school with pride, and enjoying competitive play in a supportive environment.

Parent–Teacher Conferences

Parent–Teacher Conferences (PTCs) will be held from 6–10 October. These are an important opportunity for families to connect with teachers, review student progress, and set goals for the months ahead. Please look out for scheduling information from your child’s class teacher. We thank you for your continued support and look forward to an exciting term ahead, filled with learning, growth, and community spirit.

Kind regards,
