SEPTEMBER 2026

Dear Parents and Guardians,

We had a wonderful month at school here at SIS@Ciputra. We are delighted to share some highlights and upcoming events from across our school community this September.

After- School Activities

Our after-school activity programme is now underway, offering students a wide variety of opportunities to explore their interests and talents. From creative arts to academic clubs and sports, participation levels are high, and it is wonderful to see students engaging beyond the classroom.

Lego Club

Student Council

Football Senior

Homework Club

VIETNAM

NATIONAL DAY CELEBRATION

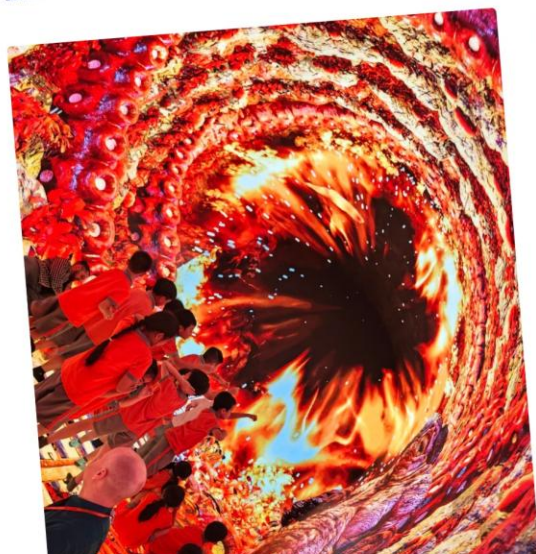

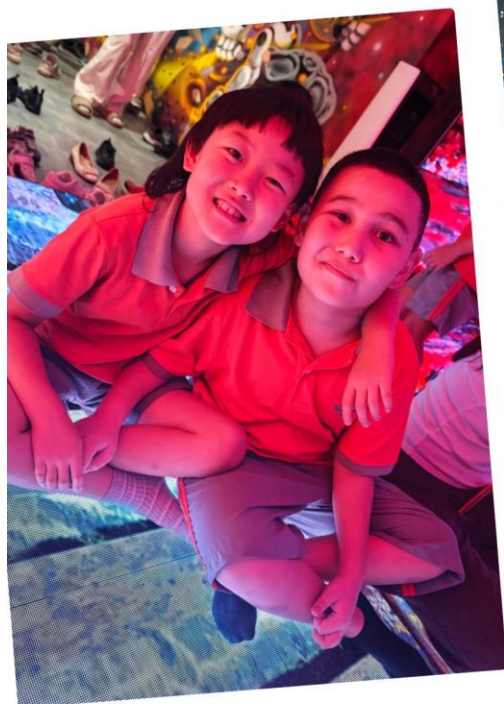

2/9/2026

Our school community came together to celebrate Vietnam National Day with a wonderful day of creativity, culture and national pride. Students joined together in year-level groups to explore Vietnamese arts and crafts, while everyone embraced the occasion by wearing the colours of Vietnam—red and yellow. We also came together as one school community to form the letters “VN”, creating a memorable display of unity and celebration.

Excursions

Excursions

Our students have been enjoying a range of exciting class excursions, providing opportunities to take their learning beyond the classroom and experience new places, people and ideas. Through these trips, students have been able to make real-world connections to their learning while developing their curiosity, independence and teamwork skills.

Upcoming: Parent-Teacher Conferences

Parent-Teacher Conferences (PTCs) will be held in **October**.. These are important opportunities for families to connect with teachers, review student progress, and set goals for the months ahead. Please look out for scheduling information from your child's class teacher.

We sincerely appreciate the trust and support of our parents and guardians as we continue to nurture and guide our students. We look forward to continuing another wonderful term of learning, discovery, and exciting experiences with our school community.

Ms. Elaine Coleman

Senior Head of Studies – SIS@Ciputra
