## Dear Parents,

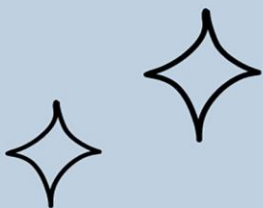

It's hard to believe that we have come to the end of another academic year! We have had a fun-filled time at SIS Ciputra; International days, talent shows, football festivals, the end of year graduation, STEM weeks, Literacy week, School Wide Learner Goal awareness week, Semester assessments, Coffee mornings, OBV and 2 sets of semester assessment! All while still completing our school work and achieving top results!

**STEM**

O B V

I would like to wish all our families who are traveling over the holidays a safe trip and for those who are staying in Vietnam, I hope you have a wonderfully restful summer break. To our students who are graduating and moving schools I would like to wish you all the best and good fortune in your future endeavors. For those who will remain with us at SIS Ciputra I look forward to the 2024/2025 school year and will see you all on the 5th of August!

Kind Regards,

Michael Ogden
