

# NEWSLETTER

**Dear Parents,**

This month we have focused on getting ready for our Semester 2 assessments that were held in the last week of May. Both teachers and students have been hard at work preparing for their tests by reviewing content and spending time going over any tough concepts. I am confident that all our students performed well for these assessments!

**EXAM SEASON**

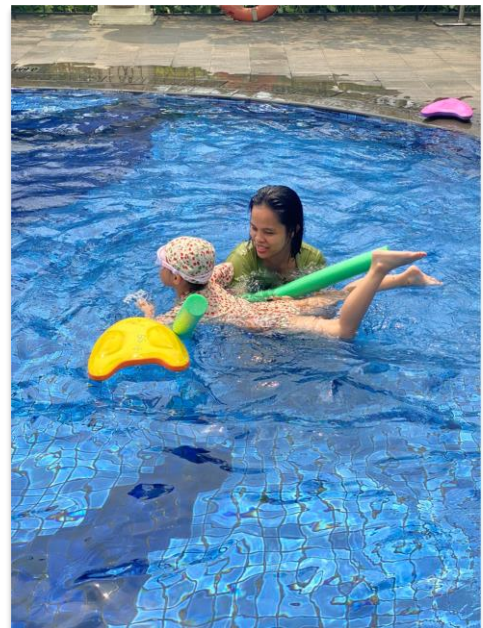

Our swimming programme started in May and has given our learners a much needed break from the heat! Students of all skill levels have spent time gaining confidence in the water and learning all the various swimming techniques to become competent swimmers.

# FOOTBALL

We had a friendly football fixture against TH school in April. Our football squad students were separated into two teams one for the grade 4 students and one for the grade 5 and 6 students. Both our squads were able to win their games with the grade 4 boys winning 3 - 2 and the grade 5 and 6 students winning 7 - 2. A big well done to all our students for their hard work and determination!

Lastly, we have received our ISA results for our grade 3 and 5 students. The International School Assessments (ISA's) are a set of tests that measure student performance in 3 key areas; Math literacy, Reading and writing. These results are measured against similar schools in Vietnam as well as all other schools across the globe who have participated. Our students have performed well and have managed to stay within or above the performance levels of similar schools! Well done to all!

As always thank you for your continued trust and support, if there are any questions please feel free to get in contact using the below email address; [michael.ogden@ciputra.sis.edu.vn](mailto:michael.ogden@ciputra.sis.edu.vn)

Kind Regards,

**Michael Ogden (Mr.)**

Principal
