

NEWSLETTER

Dear Parents and Guardians,

I hope this message finds you well. As we move through the school year, I am delighted to share some highlights from recent events and provide reminders about upcoming activities and key dates.

Halloween Festivities

Our Halloween celebrations were a resounding success! The students came dressed in creative costumes, and the day was filled with fun activities, including a parade, games, and classroom-themed parties. Thank you to all who contributed to making this day memorable for our students.

November

Football Achievements

Congratulations to our school football team for their excellent performances in their most recent game against Gamuda Gardens with another win for both the grade 4 team as well as the grade 5 and 6s. Their teamwork, sportsmanship, and determination have been commendable. We are incredibly proud of their efforts and look forward to cheering them on in upcoming games.

Fire Department Visit - Learning Safety and Community Responsibility

This month, we were excited to welcome our local fire department to the school for an interactive and educational session. The firefighters conducted demonstrations on how to safely evacuate a building in the event of a fire and provided practical tips on preventing accidents at home. Our students also got some practical experience of how to use fire extinguishers!

These sessions not only equipped our students with essential safety knowledge but also encouraged them to consider the importance of community service and teamwork. We extend our heartfelt thanks to the fire department for their time and dedication to educating our students.

Teachers' Day Celebrations

On Teachers' Day, we honoured the incredible dedication and hard work of our teaching staff. The special assembly and student-led performances highlighted the gratitude and admiration our students and community feel for our educators. Thank you to everyone who contributed to making this day meaningful.

ASMO Olympiad Student Success

We are thrilled to announce that several of our students were recognised as award winners in the recent ASMO Olympiad! Their achievements reflect their commitment to academic excellence. A special congratulations to all participants for their hard work and determination. We will hopefully be receiving the certificates from the testing center and will share our student success in an upcoming assembly.

Reminders

1. Charity Christmas Fair

The annual Charity Christmas Fair is just around the corner! Mark your calendars for 14th of December from 9:00, and join us for a day of festive fun. If you would like to contribute items or volunteer, please contact our front office.

2. Upcoming Semester Assessments

Semester assessments will begin on 13th - 19th of December. Teachers will provide guidance and review sessions in the coming weeks to support students. If there are any questions about the assessments please feel free to contact your child's class teacher for clarification.

Thank you for your continued support and partnership. If you have any questions or require additional information, please do not hesitate to reach out.

Warm regards,

Michael Ogden
Principal
