Dear Parents,

It's hard to believe that we are already in term 4 and that the end of the year is on the horizon. We have had a fantastic term 3 with many engaging activities and events for both our parents and students!

Our Primary Sports Day was held on the 8th of April to celebrate the end of term 3. Students were separated into their school houses and competed against one another in various activities and games! Overall, the winners of the sports day were the Red Dragons!

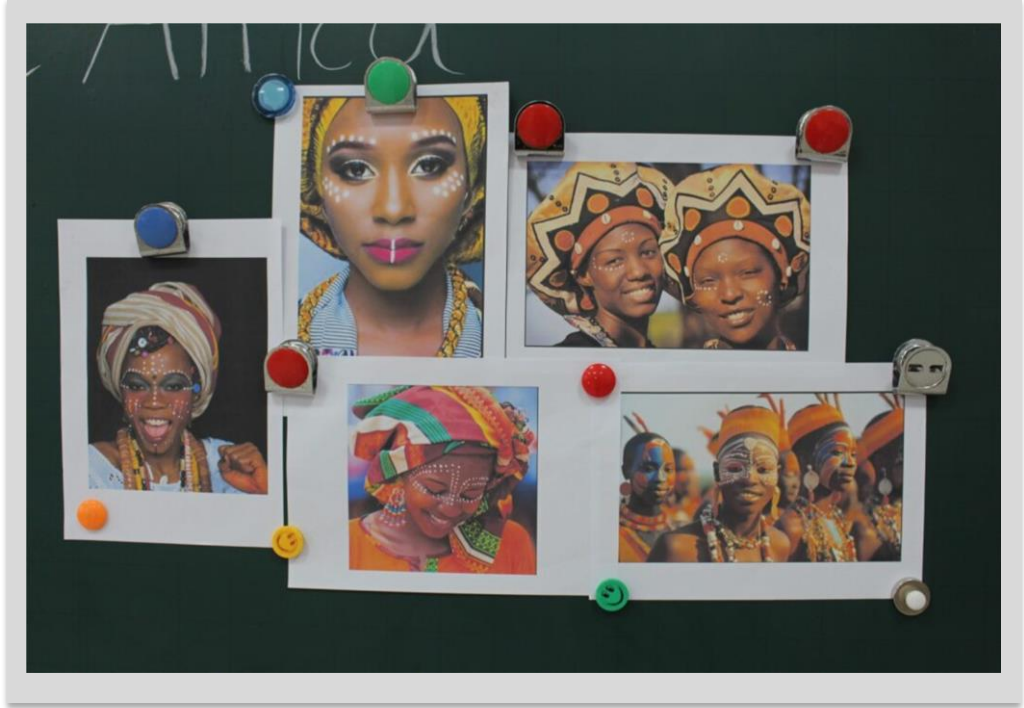

International Day celebrations were held on the 30th of March where all our classrooms were transformed into various countries that represent our diverse student population. A big thank you to all our parents who joined us for our international day. It is always fantastic to receive your support for our events

Our football team played against Van Phuc with a final score of 2 goals to Van Phuc and 1 goal for Ciputra. The boys put up a valiant effort and played with true grit and determination. We congratulate Van Phuc on their victory and look forward to the next match in the league

The All-Star Talent Show took place on the 3rd of April, and we had some amazing performances from our very talented students! Once again, a big thank you to all the parents that came to support their children. We are very happy to allow our students the opportunity to perform on stage

We celebrated Earth Week from April 1st to 5th. Ms. Jennifer and Mr. Lam arranged various events and activities for our students to participate in ranging from dioramas, writing pieces, posters, and cartoon strips to raise awareness about protecting our environment.

Our Students participated in a dodgeball tournament against Gamuda Gardens in the last week of April. Our students had a wonderful experience and managed to win all of their games. We hope to continue to grow the sport here at our school and look forward to inviting other schools to participate in the future.

As always, thank you for your continued trust and support. If you have any questions, please feel free to email me at the following address
