

NEWSLETTER

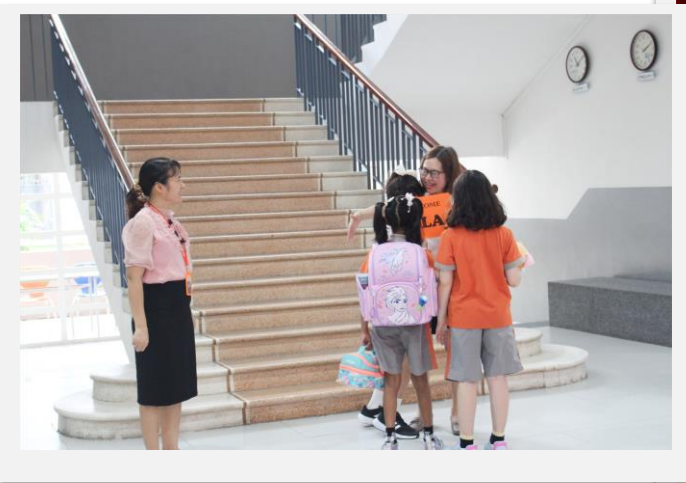

Dear Parents and Guardians,

Welcome to the 2024-2025 academic year at Singapore International School Ciputra! As we embark on this exciting journey together, I am filled with anticipation for the incredible learning, growth, and community spirit that this new year will bring.

Whether you are a returning family or joining us for the first time, we are thrilled to have you as part of our school community.

What to Expect This Year

A Focus on Learning and Growth

Our dedicated team of teachers and staff have been working hard to prepare a year full of engaging lessons, hands-on activities, and opportunities for students to explore their interests and talents. Our curriculum is designed to challenge and inspire, ensuring that each child reaches their full potential

Building a Strong School Community

At SIS Ciputra, we believe that a strong school community is the foundation for student success. Throughout the year, we will host events, parent-teacher meetings, and volunteer opportunities, to bring families, students, and staff together. We encourage you to get involved and help us create a supportive and vibrant environment for our children.

We will be continuing with our Coffee mornings and would like to hear from you in relation to meeting times and suggested topics! Please fill in the below survey to let us know.

Communication is Key

We are committed to maintaining open and transparent communication with all our families. You can expect regular updates through weekly class newsletters, monthly school newsletters, our school website, and social media channels. Please don't hesitate to reach out to your child's teacher or the school office if you have any questions or concerns.

Important Dates to Remember Term 1

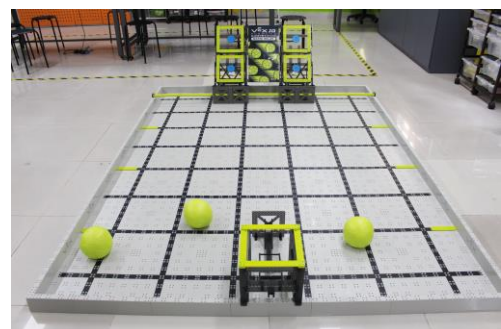

- **Parent-Teacher Conferences:** this will be held in the last week of Term 1, from the 7th - 11th of October, and will be an opportunity to discuss your child's progress and how we can work together to support their learning for the remainder of the year. More information about this will be sent out by classroom teachers closer to the date.

How You Can Support Your Child

Your involvement is crucial to your child's success. Here are a few ways you can support your child this year:

- **Establish a Routine:** A consistent routine at home helps children feel secure and ready to learn.
- **Encourage Reading:** Reading at home is one of the best ways to support your child's education. Set aside time each day for reading, whether it's a book, a magazine, or even a recipe!
- **Stay Engaged:** Keep in touch with your child's teacher and stay informed about what's happening at school. Your involvement shows your child that you value their education.

Let's Work Together

We believe that education is a partnership between home and school, and we are committed to working with you to ensure the best possible experience for your child. Together, we can create a year full of learning, growth, and wonderful memories.

Thank you for entrusting us with your child's education. We look forward to a fantastic year ahead!

Kind regards,

Michael David Ogden
