Dear Parents,

I would like to wish you all a belated Happy New Year! It's hard to believe that January is over already. We have been very busy here at school and have had many exciting educational activities!

Firstly, a big thank you to all our parents who joined us for our parent teacher evenings between the 15th and 19th of January. This was a wonderful opportunity to see how your children have been progressing and evaluate their learning both inside and outside the classroom. Our Semester 1 assessments provide us with great insight into how our students have mastered and truly understood our curriculum. If you were unable to make the meetings and would still like to discuss your child's progress with their classroom teacher please feel free to reach out to us so that we can support you with finding a time for a meeting.

Merry Christmas
AND HAPPY
NEW YEAR

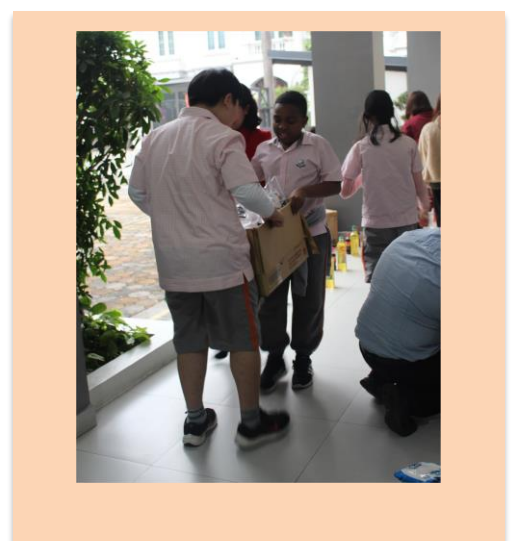

In December we had a fantastic turn out for our Annual Charity Christmas Fair. I would like to once again share my deepest gratitude to all the families and parents who spent many hours supporting us in preparation for this truly wonderful cause. Last year Kinderworld was able to raise over 1.1 Billion VND to CARITAS Vietnam so that they could help provide scholarships to underprivileged children all across Vietnam. We are looking forward to seeing all the good we can do this year!

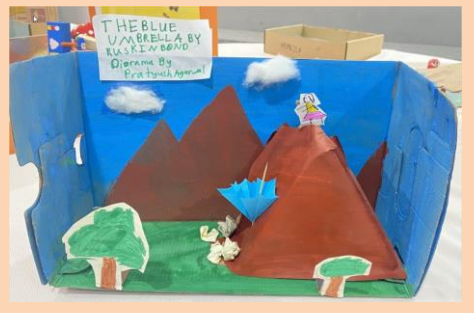

Tet is fast approaching and we have continued with our tradition of Tet boxes this year. The Tet box is a charity drive run by our student council aiming to provide underprivileged families with some much needed support of the Lunar New Year. We collected many essential items ranging from rice to toothbrushes! We know that this extraordinary initiative will surely have long lasting positive effects on those families in need.
