

NEWSLETTER

Dear Parents,

With Term 2 well underway we have continued to experience many fun and educational activities here at SIS Ciputra! I would like to remind everyone that we will have our Semester 1 Assessments between the 4th and 14th of December. These assessments help to showcase all of the learning that our students have done over the course of the last 6 months. Please also note that on the 9th of December we will have our Annual Xmas Charity Fair, this year we will continue to support CARITAS Vietnam. Our fair is scheduled to take place between 9am and 12pm and will have various games and activities for everyone!

Teacher Day

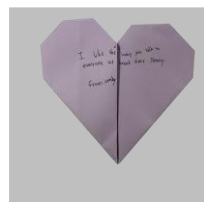

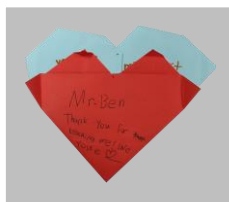

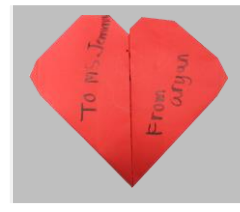

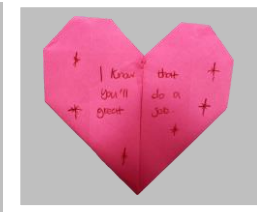

This teachers day we celebrated our beloved educators with a special assembly to honor all their hard work and dedication. We are truly fortunate to have such a wonderful parent community that appreciates and cares for all our teaching staff. As principal, I am very proud of all the dedicated professionals that I have here at our campus. Many of our teachers go above and beyond for all our students on a regular basis.

Upstander week

Our Student Council put together a set of activities for upstander week from the 13th - 17th of November. An upstander is someone who speaks up when they see or hear of anything or anyone being treated unfairly and believes in doing the right thing. Our students learnt about what it means to be an upstander and spent time making a word wall filled with kind things to say to their classmates and friends. Lastly to celebrate our uniqueness, students had the opportunity to come to school dressed as what they want to be when they grow up!

Our students enjoyed a spooky halloween this October, it was fantastic to see all our students participate in our trick or treat and scary door decorating contest. A job well done to the 2LA and 4LA for the scariest door this year! A big thank you to our Teaching assistants for helping to decorate the school for the event!
