

NEWSLETTER

Dear Parents,

It brings me great joy to share the following newsletter with you. Our students have continued to enjoy many activities over the last month and have had fun both inside and outside the classroom.

We celebrated our Mid-Autumn festival on the 28th of September which included a very special performance of the traditional Lion dance in the MPH. Students were also given the opportunity to make some delicious mooncakes in our canteen - Moon cakes are a traditional food served for this festival and enjoyed by all. Lastly our students spent time in class learning about the rich back story and origins of the moon festival!

Our students also excelled on the football pitch this month! On the 7th of October SIS @ Ciputra participated in a football tournament at Gamuda Gardens. We fielded 2 teams from both the upper and lower primary and played in a total of 3 games for each team.

Our years 2 - 3 B team and years 4 - 6 A team were able to win all of their games and were awarded with a trophy for their efforts and amazing plays.

We were also able to hand out awards for most valuable player as well as best sportsman to members of our team. We believe that good sportsmanship is a cornerstone to develop good character both on and off the pitch. It was fantastic to see parents come out to support their children and our school. We hope to be able to have some games against other international schools in the future!

Lastly, to wrap up Term 1 we were able to have our first Parent-Teacher Conferences for the School year 2023-2024. These first progress reports give our parents and teachers time to meet to review the first term and focus on areas of improvement moving into Term 2. We also were able to take the time to celebrate the successes that our children have achieved so far in Term 1.

A big thank you to all who were able to make it out to the school and meet the class teachers. We are always happy to help build a positive connection between home and school in order to help develop the hearts and minds of our students.

If you were unable to make time for an appointment please remember that there will be time next term in our first week back where you can book an appointment with your child's teacher.

As always a big thank you for your continued trust and support! If there is anything I can assist with please feel free to contact me at the following email address: Michael.ogden@ciputra.sis.edu.vn

Kind Regards,

Michael Ogden (Mr.)
