

NEWSLETTER

Dear Parents and Guardians,

As we welcome the beautiful month of September, we hope this newsletter finds you and your family well. This month has been filled with special events, challenges, and celebrations that highlight the resilience and creativity of our school community.

Mid-Autumn Festival Celebrations

We are excited to share that our school celebrated the Mid-Autumn Festival on the 17th of September! This traditional festival is a wonderful time for students to learn about the significance of family, gratitude, and unity, while also enjoying fun activities. Our classes engaged in a variety of cultural and artistic activities, including mooncake making and learning about the legends associated with the festival. We invite all families to discuss the meaning of this holiday at home and share in the traditions that bring light and joy to this special time of year.

Buddy Class Lantern Making Event

In the spirit of the Mid-Autumn Festival, our school hosted a Buddy Lantern-Making event! This activity brought together older and younger students to work side-by-side in creating beautiful lanterns, symbolizing friendship and cooperation. The older students mentored the younger ones, sharing their creativity and providing guidance throughout the process. This hands-on activity was a great opportunity for students to bond, develop teamwork, and showcase their artistic talents. We are proud to display their lanterns for our Mid-Autumn Festival!

TYPHOON YAGI

SIS@CIPUTRA

Recently, our school community was impacted by Typhoon Yagi, it caused major disruptions in many of our daily routines. We would like to take a moment to acknowledge the strength and resilience of our students, staff, and families during this challenging time. Despite the difficulties, our community has come together to support one another, and we are incredibly proud of the way everyone has shown care and kindness.

Reminder: Parent-Teacher Conferences

(October 7th - 11th)
SIS@CIPUTRA

We would like to remind you that Parent-Teacher Conferences will be held from October 7th to October 11th. These conferences provide a valuable opportunity to discuss your child's progress, achievements, and any areas where they may need additional support. More information, including how to sign up for a time slot, will be sent home in the coming days. We encourage all parents to attend as your involvement is crucial to your child's success.

Your Continued Support is Appreciated

We want to take a moment to express our sincere gratitude for your ongoing support. Your involvement in your child's education and school activities plays a vital role in their growth and success. Whether it's engaging with school events, staying connected with teachers, or encouraging your child's learning at home, your efforts make a meaningful difference.

Thank you for being an essential part of our school family. We look forward to continuing this journey together.

Warm regards,

Michael Ogden
