

NEWSLETTER

Dear Parents,

It is hard to believe that we are already half way through our first term! All of our students have settled in well and have continued diligently with their studies. We have had some additional time for our After School Activities Program and many of our students have signed up for their favorite activities!

AFTER SCHOOL ACTIVITIES

Football club

Chess club

YOGA CLUB

Art club

Câu lạc bộ

MATH CLUB

Câu lạc bộ Toán

ROBOT CLUB

TECHNOLOGY

LANTERN MAKING

Buddy classes - Our students have been thoroughly enjoying their buddy class activities and the most recent one has been that of lantern making! We will be celebrating our mid Autumn festival here at school on the 28th of September and our students have worked together to make lanterns to celebrate this wonderful tradition.

Ciputra Estate Mid Autumn Festival

SIS Ciputra was also given the opportunity to showcase our school at the Ciputra Estate Mid Autumn Festival. We were so happy to be able to have the chance to show our community all the amazing things our school is doing!

STEM

As always, there is a focus on STEM here at SIS @ Ciputra and our students have continued learning about robotics and coding in fun and interesting ways. Our aim for the STEM programme is to be able to have our students compete in both local and internal coding and robotics competitions in the future!

With term 1 drawing to a close, please note that we will be holding our Parent Teacher Conferences from the 9th - 12th of October. On Wednesday the 11th and Thursday the 12th of October, the school will be open until 18:30 to allow for parents who have a busy schedule to come in and meet their class teacher.

As always, thank you for your continued trust and support, if there is anything I can assist with please feel free to contact me at the following address:

michael.ogden@ciputra.sis.edu.vn

Kind Regards,

Michael Ogden (Mr.)
Principal
